

LAVO FLOORS

24 HOUR WATER RESISTANT LAMINATE FLOORING

High Gloss Vintage Series

Inspired by classic vintage wood textures, this collection features a high gloss finish that enhances depth and visual richness. The reflective surface interacts beautifully with light, creating a brighter and more refined space. With 24-hour water resistance, it is designed for everyday living. Rated AC4 for durability, and equipped with a stable locking system for easy installation, it offers a perfect balance of style and value. Altogether, this series delivers a reliable and refined flooring solution suitable for every area of the home.
